Biography

San Francisco based Producer and DJ, Juanton, is no stranger to leaving the dance floor wanting more with his unique blend of booty shaking Tech House and Techno. With each set the artist aims to create a memorable experience with an unforgettable stage presence and underground beats.

From sharing the stage with a diverse lineup including Borgore, Valentino Khan, Will Clarke, and more to drawing audiences to his set at Northern Nights or renegade at Dirtybird Campout, this artist is one not to miss in 2019 and beyond.

Offstage, Juanton is defining an era of sound infused with quirky percussions, sinister synths, and lyrics matched to driven baselines. Be on the look out for his unreleased tracks hitting venues around the world.
